Exclusive CBK British Airways MasterCard's

Travel the world via 13 airlines with CBK British Airways MasterCard's; the only and exclusive co-branded card in the Middle East. This is the best time to issue your card! You will have the chance to double your welcome bonus Avios by spending a predefined amount on your card, and that during the first three months after card issuance date. If you meet the required thresholds you can receive up to 25,000 Avios, more than enough for a trip to London, Doha, Amman or Colombo.

Offer available for all cards issued between 1st of November and 31st of December 2017.
